PETITION TO WITHDRAW FINAL REJECTION

Dear Sir:

The Assignee hereby requests withdrawal of the first action Final Rejection (a copy of which is enclosed) dated December 18, 2000, for the above-referenced application. A Continued Prosecution Application was filed October 12, 2000, concurrently with a Preliminary Amendment that added new claims 22-24. These newly added claims were not considered by the Examiner in the earlier application. Therefore, all of the claims of the Continued Prosecution Application are not drawn to the same invention claimed in the earlier application, thereby rendering the first action Final Rejection improper. See M.P.E.P. §§706.07(b) and 706.07(c).

Thus, the Assignee respectfully requests withdrawal of the Final Rejection.

No fee is believed due with this petition. However, if a fee is due, please charge the fee to Deposit Account No. 20-1504 (MICE-0059-00).
